

# French Door

## French Door

The wide profile and craftsman-like quality of our French door adds class and elegance to any room. The heavy duty hinges also lend a practical aspect by ensuring snug closure.

The flush bolt latch ensures one door can remain closed securely and safely, enabling you to use a single door when required.

As always security is paramount with the option of security handles. Optional security locks can be supplied, with the convenience of the same key for all your doors and windows.

*The flush bolt ensures the closed door is secure and safe enabling you to enter and leave via a single door when required.*
